Description of services and/or supplies to be provided:

Culvert collapse on Pump Factory Rd (south side) at US 30 over the roadside ditch in Lee County, approximately 5 miles south of Dixon. The top slab of the culvert failed due to advanced age and deterioration. The failed top slab of the culvert will be removed and replaced. The selected contractor will remove the existing top slab, brace the walls of the culvert and pour a new top slab. Due to the increased thickness of the top slab the contractor will also place HMA pavement to transition the new roadway surface elevation to the existing road surface.

Is there an existing State contract available for the required services and/or supplies?  Yes  No
