Emergency Purchase Details

Emergency Category (Click List Box to re-select the appropriate option(s)).

Immediate expenditure is necessary for repairs to State property to protect against further loss or damage

Reason for selection of this particular contractor/vendor:

Fairbanks Scales has the capacity and availability to perform the work and is familiar with the scale.

Description of services and/or supplies to be provided:

The fix for this issue requires removal of the scale, cutting the deteriorated wall down to good concrete, reforming new pit walls, repouring the wall, and installing a new scale in the newly poured pit. A new scale is required because when we remove an existing scale, there is a high probability that the scale platform will twist or become damaged causing the scale to weigh incorrectly in the future.

Is there an existing State contract available for the required services and/or supplies? ☐ Yes ☒ No
