will assure good faith performance. The State determines whether the Bidder is a “Responsible” bidder; a bidder with whom the State can or should do business. For example, the State may consider the following:

A.22.2.1. A “prohibited bidder” includes any person assisting an employee of the State of Illinois by reviewing, drafting, directing, or preparing any invitation for bids, a request for proposal, or request for information, or providing similar assistance unless such assistance was part of a publicly issued opportunity to review drafts of all or part of these documents. Nothing herein is intended to prohibit a person or business from submitting a bid or offer or entering into a contract if the person or business: (i) initiates a communication with an employee to provide general information about products, services, or industry best practices and, if applicable, that communication is documented in accordance with Section 50-39 of the Illinois Procurement Code (30 ILCS 500/) or (ii) responds to a communication initiated by an employee of the State for the purposes of providing information to evaluate new products, trends, services, or technologies (30 ILCS 500/50-10.5).

A.22.2.2. Other factors that the State may evaluate to determine Responsibility include, but are not limited to: certifications, conflict of interest, financial disclosures, taxpayer identification number, past performance in business or industry, references (including those found outside the Offer,) compliance with applicable laws, financial responsibility, insurability, effective equal opportunity compliance, payment of prevailing wages if required by law, capacity to produce or sources of supply, and the ability to provide required maintenance service or other matters relating to the Bidder’s ability to deliver in the quality and quantity within the time and price as specified in this solicitation.

A.22.2.3. Awarded Bidders must at all times have financial resources sufficient, in the opinion of the State, to ensure performance of the contract and must provide proof upon request. The State may require a performance bond if, in the opinion of the State, it ensures performance of the contract. The State may terminate

STATE OF ILLINOIS

INSTRUCTIONS AND GENERAL INFORMATION

the contract, consistent with the termination for cause provision of the contract, if the vendor lacks the financial resources to perform under the contract.

A.22.2.4. The State may require that a Bidder correct any deficiencies as a condition of further evaluation.

A.22.3. PRICE: The State identifies the lowest priced Bidder that meets Responsibility and Responsiveness requirements. The State ranks Bids in order of price when appropriate.

Bidders that are a party to a contract with a bona fide labor organization are exempt from this requirement.

The bidder assures that, for the duration of this contract it will post its employment vacancies in Illinois and border states on the Department of Employment Security's IllinoisJobLink.com website; or will provide an online link to these employment vacancies so that this link is accessible through the IllinoisJobLink.com website; or is exempt from 20 ILCS 1005/1005-47 because bidder is a party to a contract with a bona fide labor organization.
