MEMORANDUM

To: Bureau of Business Services
ATTN: Crystal Blakeman

From: Colleen Caton

Date: January 14, 2021

Subject: Passenger Railcars Change Order #22
SPO Determination on Recommendation

As the State Purchasing Officer for the Illinois Department of Transportation, I offer the following.

As part of the California led Passenger Railcars Contract (75A0362), change order #22 is for the design and installation of new handhold to the exterior (underside) of the trap door. The new design is a curved, ergonomic handhold to better serve passengers as they enter/exist the train car. This change order covers the engineering, procurement of parts, and installation on all 88 IDOT railcars. This change order allows the Department to continue to provide safe, reliable transportation of passengers for state sponsored inter-city passenger service. Failure to move forward with this change order may delay passenger service. Change order is for \$310,503.15.
