

# I-270 Designed Overlay and Structures Repair Project Project Industry Forum

An industry forum will be held for the **I-270 Designed Overlay and Structures Repair Project**. The purpose of the forum is to assess industry interest and garner input in the project with the potential advancement of the referenced project utilizing a **Progressive Design-Build** delivery method. The industry forum presentation will include, but is not limited to, an overview of the Project, an update on the status of Project Reference documents, an overview of the **Progressive Design-Build** delivery method process, roles, anticipated procurement schedule, and a discussion on opportunities for small, disadvantaged, minority, and women-owned businesses.

**Date:** January 21, 2026

**Time:** 9:00am – Registration; 9:30am – Presentation

**Location:** Illinois Department of Transportation – District 8

1102 Eastport Plaza Drive, Collinsville, Illinois ([Google Maps](#))
