

I-270 Overlay and Structures Repairs and Replacements Project Industry Forum

An industry forum will be held for the **I-270 Overlay and Structures Repairs and Replacements Project**. The purpose of the forum is to assess industry interest and garner input in the project with the potential advancement of the referenced project utilizing a **Design-Build** delivery method. The industry forum presentation will include an overview of the Project, an update on the status of Project Reference documents, an overview of the **Design-Build** delivery method process, roles, anticipated procurement schedule, overview of procurement process, and a discussion on opportunities for small, disadvantaged, minority, and women-owned businesses.

Date: July 13, 2026

Time: 10:30am – Registration; 11:00am – Presentation

Location: Illinois Department of Transportation – District 8
1102 Eastport Plaza Drive, Collinsville, Illinois ([Google Maps](#))
