

Project: _____

Contract: _____

Proposer: _____

Each member of the Proposer's team including the Proposer, Principal Participants, and any subconsultant, subcontractor, or any other person or entity shown on the Proposer's organizational chart included in the SOQ must execute and return this Form 6.

The member of the Proposer's team hereby certifies that it has read and understands the following:

The Proposer's team member has no public or private interest and shall not acquire directly or indirectly any such interest in connection with the Project, that would conflict or appear to conflict in any manner with the performance of the services under the Contract Documents. The Proposer's team member is aware of and understand the requirements of 23 CFR, subsection 636.116 and Illinois Procurement Code Section 50-13 Conflicts of Interest (30 ILCS 500/50-13). The Proposer's team member agrees not to provide any services to any entity that may have an adversarial interest in the Project, for which it has provided services to the IDOT. The Proposer's team member agrees to disclose to IDOT all other conflicts of interest or potential conflicts of interest that it has during each phase of the Project. The phases of the Project include, but are not limited to, planning, scoping, early preliminary engineering, design, and construction. In all situations, IDOT, in its sole discretion, will determine whether the Proposer team member's disclosed conflicts of interest or potential conflicts of interest will prohibit them from participating in this procurement.

- ☐ Certification for Subject Project: Based on the foregoing, the Proposer's team member certifies that no conflict exists with the subject Project for the member.
- ☐ Disclose of Conflict with Subject Project: Based on the foregoing, the Proposer's team member certifies that a potential conflict does or may exist with the subject Project for the member. The attached sheets describe the potential conflict.

This form, and any attachments, must be certified by a person from the Proposer's team member who has contracting authority. Certified By:
