					Original Contract Value	Final or Estimated Contract Value	
Name: Location: Delivery Method:		Name of Client/ Owner: Phone: Project Manager: Phone: Email:	MM/YYYY	MM/YYYY			
h. Narrative describing the Work Performed by the Principal Participant or Key Subcontractor identified for this Project. If the Proposer chooses to submit work completed by an affiliated or subsidiary company, or Key Subcontractor identify the full legal name of the affiliate or subsidiary or Key Subcontractor and the role they will have on this Project, so the relevancy of that work can be considered accordingly. The Work History Form shall include only one singular project. Projects/contracts with multiple phases, segments, elements (projects), and/or contracts shall not be considered a single project and shall not be claimed as a single project on this form. If the Proposer chooses to submit work performed as a Joint Venture or Partnership, identify how the Joint Venture or Partnership was structured and provide a description of the portion of the work performed only by the Proposer’s firm.
