

Illinois Department of Transportation  
As Accepted Tabulation of Bids  
For Letting: 09/21/2018

Run Time 09/21/2018 10:12 AM

**Important Reminder to All Apparent Low Bidders!!!**

All apparent low-bid contractors must submit the DBE Utilization Plan and DBE Participation Statement (SBE 2025 and SBE 2026) within 5 (five) calendar days post letting, including bids above the Engineer's Estimate.

Exception! In the event of a 0% DBE Goal, this process is not necessary! It is the bidder's responsibility to check the special provisions to determine the DBE Goal.

After a post letting review, bids initially identified as outside the awardable range may be awarded. In the event the bid is declared non-responsive due to failure to submit a Utilization Plan or failure to otherwise comply with the bidding procedures, the Department may elect to cause forfeiture of the penal sum of the bidder's proposal guaranty. Further, authorization to bid will not be granted on the project when advertised on a future letting.
